

that some record of the history of the Margaret Eaton School be written. The suggestion is that such a history should be reproduced in a form that could be sold reasonably to the graduates of the school & that one or two copies be bound in leather & presented to the library of the School of Physical & Health Education. This is a suggestion that needs careful consideration & investigation because of the expense involved. Printing is expensive particularly for a small number of copies. However, we felt that we would like to bring the suggestion to this gathering.

This closes my report and I invite discussion of any of the points therein particularly the last one concerning the History of M.E.S.

Respectfully submitted

Toronto, Ontario.

Dear Barbara:

This is all the information I have been able to accumulate with regard to the Margaret Eaton Alumni Meeting, to be held at Miss Charlotte Layton's home 7 Tullis Drive, on Thursday, Feb. 8th, at 8.15 P.M.

The directions for this address are as follows:

"North on Yonge to Belsize-Belsize one car stop beyond Davisville-walk one block East #7 upper duplex"

The entertainment for the evening will be listening to the Record Player presented to Miss Layton last year.

I thought you might have some idea as to how to set this up to sent out to the members, and think it would be advisable if possible to have them out by the first of next week.

If there is anything further I can do to help, just give me a ring.

Yours very truly,

E.M.K.
